

A2 7. (Amended) The sterilizer according to claim 1, wherein the anti-microbial material further includes two types of said aromatic substance.

A3 10. (Amended) The sterilizer according to claim 5, wherein a space is provided between said film and the surface of said container where the ventilation apertures are provided.

A4 13. (Amended) The refrigerator according to claim 11, wherein said anti-microbial material includes an aromatic substance.

Kindly add new claims 14-16 as follows.

14. (New) The sterilizer according to claim 6, wherein a space is provided between said film and the surface of said container where the ventilation apertures are provided.

15. (New) The sterilizer according to claim 7, wherein a space is provided between said film and the surface of said container where the ventilation apertures are provided.

16. (New) The refrigerator according to claim 12, wherein said anti-microbial material includes an aromatic substance.

REMARKS

The above claim amendments are presented in order to remove multiple claim dependencies, so as to reduce the required filing fee.
